He promised to sign today, he just wants me to add watches, body spray and scents to the Articles list. I already had Singapore send me the revised contract so I can have Promark sign the contract today. Payments will be done before end of the month.

I am in contact with Mr Adamson Bactat , Victor's brother who is the signatory for Promark and have asked him to get signed contract ready for pick-up latest Friday. As to payment of invoices, he said that they will schedule payment by end of the month as his Finance Director is in the US and will be back by Oct 20<sup>th</sup>.

Tks,  
Claire

Hi Claire,

As per below, there is pressure from Iconix to get this done. Two weeks ago the feedback was that the long form and invoices are in Promark's hands for review. I need to revert back to Iconix with a definitive timetable as we need to button this up ASAP. Please advise.

Thank you,
